118 REQUIREMENTS FOR ALL LICENSED CHILD DEVELOPMENT FACILITIES (Sections 118 - 161)

118.1 Licensee operates in accordance with the license capacity, age range limitations, hours of operation and other specific service requirements or restrictions designated on its license.

118.1 (a) licensee operates in accordance with the license capacity, age range limitations, hours of operation and other specific service requirements or restrictions designated on its license.

118.4 (a) Licensee excludes any employee with a communicable disease from the workplace, to the same extent and in the same manner as school employees are excluded and readmitted pursuant to 5-E DCMR §§ 1023.1, 1023.5, and 1023.9.

118.5 (a) Licensee protects the safety, health, and welfare of all children within their care.

120.4 Children are not left alone in any room, outdoors, or in vehicles, even momentarily, without staff present.

120.5 A staff member is assigned to supervise specific children whose names and whereabouts the staff member knows and with whom the staff member is physically present. Staff is able to state how many children are in their care at all times.

121.2 Adult-to-child ratios and group sizes are established to ensure the health and safety of all children. Minimum adult-to-child ratios are met at all times, including non-peak hours, during nap or rest periods, and in vehicles during transport.

122 HEALTH & SAFETY: GENERAL REQUIREMENTS

122.3 (b) Licensee ensures that exits are free of all obstructions

122.3 (c) Licensee ensures that exits are arranged or marked so the path to exit the building is visible and clear.

122.3 (a) Licensee ensures that exits are clearly identified.

122.10 Licensee ensures that the licensed Facility is accessible for children and adults with disabilities, in accordance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act. Accessibility includes access to buildings, toilets, sinks, drinking fountains, outdoor play areas, meal and snack areas, and all classroom and therapy areas.

122.11 Licensee ensures that the program space that children use is heated, cooled, and ventilated to maintain the required temperatures, and air exchange to avoid accumulation of odors and fumes

122.12 (b) Licensee ensures that all doors or windows are protected with guards that prevent exit by a child.

122.12 (c) Licensee ensures that all blinds have child protective coverings ensuring cords are not accessible to children.

122.12 (a) Licensee ensures that all access points to stairs are restricted by gates.

122.13 Licensee ensures that the Facility is free of moisture, mold, and mildew, including but not limited to, moisture resulting from water leakage or seepage.

122.14 Licensee ensures that waste receptacles have a hands-free opening mechanism, are kept clean, lined with plastic bags, in good repair, and emptied at least daily.

122.15 Program space is ventilated by mechanical ventilation, such as fans, air conditioning, or at least one (1) operable window.

122.16 Licensee does not use space heaters unless it has received express approval, in writing, from an official of FEMS.

122.17 Licensee ensures that fireplaces and fireplace inserts are inaccessible to children at all times.

122.18 Licensee maintains hot and cold running water under pressure. Hot running water shall be maintained at one hundred degrees Fahrenheit (100°F).

122.19 Licensee ensures that the Facility s premises remain clear of insects, rodents, and other pests and excrement of insects, rodents, and other pests.

122.21 Licensee maintains at the Facility a log documenting the use of extermination services, which shall be provided only by a licensed pest control professional. Children shall not be present while pesticides are being applied or within twenty-four (24) hours of application.

122.22 Licensee has installed and maintains working carbon monoxide detectors if there is any gas service in the building and the carbon monoxide detectors are tested every six (6) months with a written log of testing records maintained at the Child Development Facility.

122.23 Licensee has installed and maintains an appropriate number of working smoke detectors located in locations consistent with District code requirements and shall ensure they are in working order at all times. Smoke detectors are tested quarterly with a written log of testing records maintained at the Child Development Facility.

122.24 Licensee performs fire drills, at least monthly, with a written log of the fire drills maintained at the Child Development Facility.

123 HEALTH & SAFETY: LAVATORY SPACE & EQUIP

123.3 Licensee provides a block or step for a child s use for each toilet and sink at a Facility that is too high to be used by one (1) or more enrolled children without assistance.

123.5 Licensee provides toilet paper, soap and single-use paper towels at each bathroom in a manner accessible for independent use by children.

124 HEALTH & SAFETY: INDOOR ENVIRONMENT

124.2 Licensee ensures that the temperature within each room of program space is maintained at between sixty-eight degrees Fahrenheit (68°F) and seventy-five degrees Fahrenheit (75°F) from October through March, and between sixty-eight degrees Fahrenheit (68°F) and eighty-two degrees Fahrenheit (82°F) from April through September.

124.4 Licensee ensures that carpeting in the facility is nonflammable, nontoxic, and maintained by the Licensee in clean condition and good repair.

124.5 Licensee maintains floors that are free from bare concrete, dampness, splinters, and sliding rugs.

124.6 Licensee ensures that all floors, walls, and ceilings are in good repair and easy to clean when soiled.

124.8 Licensee has installed finger-pinch protection devices on doors, cupboards, cabinets, and gates that are accessible to children, except on doors, cupboards, cabinets, and gates that are fully closed and locked.

124.9 Licensee ensures that strings and cords long enough to encircle a child's neck are not accessible to children.

124.10 Licensee ensures that electrical outlets that are not in use and are accessible to children are fitted with appropriate child-proof protective outlet covers.

125 HEALTH & SAFETY: OUTDOOR ENVIRONMENT

125.1 Licensee maintains outdoor play space free of standing water, litter, broken glass, wooden splinters, weeds, high grass, and conditions that are, or might be, hazardous to the health, safety, or welfare of children enrolled.

125.8 Licensee ensures that all outdoor gates have positive self-latching closure mechanisms that are at least four (4) feet off the ground or constructed in a manner so that they cannot be opened by a preschool-age child.

125.13 Licensee ensures that all surface areas beneath, and in the fall zones of, climbing equipment, slides, swings, and similar equipment are covered in resilient material that diminishes the impact of falls.

125.14 Licensee ensures that all outdoor equipment is securely anchored and installed properly to prevent tipping or collapsing.

125.15 Licensee ensures that all outdoor play equipment is free of pinch, crush or shear points on all surfaces that are or may be accessible to children.

125.18 Licensee maintains all outdoor sandboxes and play areas containing sand in a safe and sanitary condition, including being completely covered when not in use and free of debris.

126 HEALTH & SAFETY: EQUIPMENT & MATERIAL

126.1 Licensee provides a variety and sufficient quantities of materials, equipment, and supplies for indoor and outdoor activities, consistent with the numbers, ages, and needs of the infants, toddlers, preschool, or school-age enrolled children.

126.2 Licensee ensures materials, equipment, and supplies accessible to children are age appropriate, safe, in good repair, clean, and non-toxic, and shall be accessible to and appropriate for children with special needs, if the Facility provides care to such children.

126.9 Licensee removes and repairs, or discards all furniture, equipment, and materials that are not usable because they are broken or hazardous.

126.11 If the Licensee provides helmets for use while riding wheeled equipment, the helmets meet the requirements in Subsection 126.22. If a Facility provides helmets for shared use of children while riding wheeled equipment, the Licensee wipes down each helmet with wet wash cloth after each use.

126.12 Licensee has available a sufficient number of strollers or carriages with appropriate restraints for infants and non-ambulatory enrolled children.

126.14 Licensee provides each enrolled child in a full-day program with an individual crib, cot, or bed, as developmentally appropriate.

129 RECORDKEEPING: FACILITY OPERATIONS

129.2 129.7 (a-b) All required permits, fire, health and safety inspections and approved variances and a copy of the approved license and Certificate of Occupancy or Home Occupancy Permit are maintained and displayed within one central area of the facility.

129.3 Records of investigations, inspections, civil infraction citations, and unusual incidents reported in accordance with this chapter, inspection of playground equipment, maintenance of carbon monoxide detectors, and all fire prevention mechanisms and emergency evacuation drills are immediately accessible and available for inspection.

129.4 Licensee maintains a current liability insurance information and documentation for the Facility and, if the Facility provides transportation services, information and documentation of vehicle safety and insurance, including liability insurance.

130 RECORDKEEPING: CHILDREN

130.4 Licensee maintains and provide to OSSE upon request, for each enrolled child, the initial and annual health record documentation and information, including information in (a – o).

130.8 (a) Licensee maintains and upon request provides to OSSE current records and information related to enrolled children including;

A roster of enrolled children by age group;

130.8 (c) Daily schedule of activities

130.8 (d) Daily menu plan for feeding children, which identifies foods actually served if the facility provides any meals or snacks to children

130.8 (b) Daily sign-in and sign out attendance records by names of children, including first name, last name, and middle initial of each child

131 RECORDKEEPING: STAFF

131.5 (a) Documentation of a pre-employment physical examination by a licensed health care practitioner, conducted not more than twelve (12) months prior to the start of employment or volunteer work.

131.5 (b) Documentation of an annual physical examination by a licensed health care practitioner.

132 - 136 SUITABILITY FOR EMPLOYMENT

132.2 (a) The suitability of a current or prospective staff member of a Licensee shall be assessed through completion of a Criminal background check.

133.8 OSSE reviewed the results of the criminal background and child protection register checks and determined the suitability of the individual.

139 STAFF PROFESSIONAL DEVELOPMENT

139.2 Licensee maintains documentation that within thirty (30) calendar days of date of hire, each staff member shall receive pre-service training in the health and safety standards of licensed Child Development Facilities in the District of Columbia that, at a minimum, shall include (a) – (d).

139.3 Licensee maintains documentation that within ninety (90) calendar days of date of hire, each staff member shall receive orientation training in the additional health and safety standards of licensed Child Development Facilities in the District of Columbia that, at a minimum, shall include (a) – (f).

139.4 Licensee maintains documentation that the following critical health and safety training (a) – (e) have been completed before staff members are allowed to care for children unsupervised.

140 GENERAL PROGRAM ACTIVITIES

140.3 Licensee developed a written activity plan for each group of children that implements the scheduled program of activities

142 HEALTH AND SAFETY: GENERAL REQUIREMENTS

142.3 Licensee ensures that all tobacco products that may be present at the Facility remain out of the reach of enrolled children at all times.

142.4 Licensee ensures that no person, including staff, residents, and visitors to the Facility, smokes or uses tobacco products at the Facility when enrolled children are present

142.7 Licensee ensures that no firearms or other weapons are on the Facility's premises, with the exception of those licensed and appropriately in the possession and control of armed security guards authorized to protect the Facility premises.

142.8 Licensee ensures that all appliances, sharp utensils, and other dangerous devices are kept inaccessible to children at all times.

144 HEALTH & SAFETY: HAND HYGIENE

144.1 Hand Washing Observation(s) Comply with Best Practices in Applicable Area(s)

144.1 Number of Staff Observed

144.2 Licensee posted in all food preparation, diapering, toileting areas, and other designated hand washing areas the circumstances when children and staff shall perform hand hygiene
