157.4 Exit and entrance points to pools or bodies of water have self-closing, positive latching gates with locking devices a minimum of fifty-five (55) inches from the ground.

157.7 Licensee ensures that children are swimming or playing in water, including baby pools, wading pools, and full-depth pools are supervised by at least one (1) adult, who is currently certified as a Lifeguard or Water Safety Instructor by the American Red Cross or by an equivalent water safety instruction and testing program, for every six (6) children.

157.8 Licensee ensures that when children are swimming or playing in water, including baby pools, wading pools, and full-depth pools, the Licensee maintains the required adult-to-child ratios, in addition to complying with the water safety requirements as provided in this chapter.

157.9 Licensee ensures that the requirements in (a – h) are met when communal water tables are used (a) – (h).

158 TRANSPORTING CHILDREN REQUIREMENTS

158.3 Licensee has established and implemented policies and procedures to ensure the safe transportation of children, including background checks, and the training and monitoring of any person responsible for transporting children.

158.5 Licensee ensures that before any child is transported while under the care of the facility, a signed permission is obtained from the child's parent(s) or guardian(s).

158.6 Licensee that rents, owns, operates, or maintains one or more motor vehicles used for transporting children labels the exterior of each such vehicle, with the Facility's licensed name and phone number.

158.7 Licensee that rents, owns, operates, or maintains one or more motor vehicles used for transporting children maintains proof of current motor vehicle insurance coverage for each such vehicle, both at the Facility premises and inside the vehicle.

158.8 Licensee that rents, owns, operates, or maintains one or more motor vehicles used for transporting children ensures that only licensed drivers who are covered by the Facility's insurance policy operate any such vehicle when transporting enrolled children.

158.11 Licensee that rents, owns, operates, or maintains one or more motor vehicles used for transporting children maintains an inspection log and service and repair records for each such vehicle on file for at least twelve (12) months from the date of each inspection, service visit, or repair. A person or parent entity that operates multiple licensed Facilities may maintain all such records at a single administrative office, provided that the records are made available to OSSE upon request.

158.21 Licensee ensures that the following items are present in each vehicle when transporting children on field trips or other routine trips (a – i).

159 CHILDREN WITH SPECIAL NEEDS CARE

159.2 If a Licensee is provided with a copy of the IFSP as a member of the IFSP team or if the child's parent has provided the IFSP or provided written consent to release the IFSP to the Licensee, the Licensee shall maintain a copy of the child's current IFSP on file at all times during the student's enrollment at the facility.

159.4 If the child's IFSP is implemented while in the care of the Licensee, the Licensee shall work with the child's IFSP service coordinator or service provider to develop a plan for incorporating the IFSP goals and strategies into the child's daily routine at the Facility.

159.6 Licensee makes reasonable efforts to determine if any child under its care is a child with any disability and be aware of the Licensee's obligations to provide any accommodations required by law.

160 OPERATING NON-TRADITIONAL HOURS

160.2 Licensee that offers care during non-traditional hours or twenty-four (24) hour care ensures that each activity is appropriate both for the time of the day or night and for the age of each enrolled child.

160.3 Licensee that offers care during non-traditional hours or twenty-four (24) hour care obtains written consent from a child's parent(s) or guardian(s) before staff bathe or shower that child, with the exception that in emergency situations or where necessary to protect a child's hygiene, such as after regurgitation or bedwetting, staff may take appropriate measures to clean an affected child.

160.4 Licensee that offers care during non-traditional hours or twenty-four (24) hour care meets the following requirements for rest and sleep (a – m).

160.5 (a) Licensee that offers care during non-traditional hours or twenty-four (24) hour care establishes a homework routine for each school-age child, in consultation with the parent(s) or guardian(s) of that child, on the first day of enrollment, and documents the routine in that child's record.

160.5 (b) Licensee that offers care during non-traditional hours or twenty-four (24) hour care ensures that each school-age child is afforded quiet time and is provided with a quiet area for doing homework, as needed.

160.5 (d) Licensee that offers care during non-traditional hours or twenty-four (24) hour care ensures that If an enrolled child is to leave for school directly from the Facility, the Licensee shall, on or before the first day of enrollment, enter into a written agreement with that child's parent(s) or guardian(s) that specifies the means by which the child shall get to school and the person(s) responsible for accompanying the child to school and the Licensee maintains a copy of this countersigned agreement in the child's record.

160.6 (a) Licensee provides breakfast to each child who has been in care overnight at the Facility and is leaving for school directly from the Facility, unless the Facility and the child's parent(s) or guardian(s) enter into a written agreement specifying that the child will eat breakfast prior to arrival or while at school.

160.6 (b) Licensee provides or serves dinner and a snack to each child scheduled to remain in care overnight, unless the Facility and the child's parent(s) or guardian(s) enter into a written agreement specifying that the child will eat dinner before arriving at the Facility.

160.7 Licensee providing non-traditional hours or twenty-four (24) hour care complies at all times with the adult-to-child ratio and staff qualifications requirements provided for in this chapter.

160.8 Licensee ensures that staff members are available at all times to attend to the needs of the children, and that at least one (1) adult staff member per every ten (10) children is awake and within sight and sound of the children at all times.

160.9 Licensee establishes and implements emergency contingency plans to address both medical and non-medical emergencies at all hours of the day or night during which care may be provided, including during natural and man-made emergencies that require evacuation from the Facility, temporary displacement from the Facility, or confinement to the Facility.

161 REQUIREMENTS FOR FACILITY WITH PETS

161.1 If a Facility permits pets or animals at the Facility's premises, it complies with the following requirements (a - j)

161.3 Licensee ensures that pet and animal food supplies are kept out of reach of children.

161.4 Licensee ensures that pet and animal litter boxes are not located in areas accessible to children.
